

Access over
Exclusivity

THE LOYOLA FUND provides critical annual resources that help ensure Loyola delivers on its mission to form men to serve with and for others.

Your support inspires innovations in the classroom, bolsters robust co-curricular activities, and fuels transformative retreat and service opportunities that impact all Loyola Dons. In short, your investment keeps the heart and soul of Loyola's Catholic, Jesuit education vibrant, strong, and growing.

Those who generously invest in the Loyola experience through annual giving enable us to remain accessible and affordable so that more families can make the dream of attending Loyola a reality for their sons. Your support strengthens every facet of the Loyola journey for our young men – one that propels them toward a life of learning, leadership, and service.

RL Scholars Program

Loyola is honored to continue this partnership with **THE ROLLINS-LUETKEMEYER FOUNDATION**. For any designated gifts received by December 31, 2025, the Foundation will make a gift to the school equal to \$1 for every \$2 of gifts received.

This corpus of funding will continue to be utilized to support four-year scholarship awards for high school students attending Loyola Blakefield beginning in the 2026-27 school year and who come from middle-class families who qualify for need-based financial aid assistance and have annual joint household incomes between \$75,000 and \$150,000.

Your support benefits *every* Loyola Don.
